UCSF Health

Use of Names

The following is intended to provide guidance to our employees on appropriate use of our names.

- **UCSF Health** currently comprises these major components: UCSF Medical Center, UCSF Benioff Children’s Hospital San Francisco, the UCSF faculty practice group, the separately licensed UCSF Benioff Children’s Hospital Oakland and Langley Porter Psychiatric Hospital and Clinics, Benioff Children’s Physicians foundation, and the joint ventures with John Muir Health and affiliation with Hospice by the Bay.

- **UCSF Medical Center** describes UC San Francisco’s adult hospital. It is part of UCSF Health. The medical center name may be further described by including its campuses:
  - UCSF Medical Center at Mission Bay
  - UCSF Medical Center at Parnassus
  - UCSF Medical Center at Mount Zion

- **UCSF Benioff Children’s Hospitals** is the umbrella name for UCSF Benioff Children’s Hospital San Francisco and UCSF Benioff Children’s Hospital Oakland. They are part of UCSF Health. The Oakland hospital remains a separately licensed hospital.

- UCSF has various contractual relationships with hospitals and provider organizations such as Hill Physicians and Washington Healthcare System. These entities are affiliated or associated with UCSF Health.

For example:
- Hill Physicians is an affiliate of UCSF Health.
- Washington Hospital Healthcare System is an affiliate of UCSF Health.
- Golden Gate Pediatrics is a clinical associate of UCSF Health.
